THIS IS PIKE COUNTY'S BEST!

Since 1870 Pike County Breeders have been establishing a *reputation* as producers of fine quality Shorthorns. Several generations of men have contributed a wealth of time and money to promote and achieve the more economical production of beef. That has been their goal of progress and Pike County Shorthorns, known the country over, owe their superior qualities to this intensive program.

This annual fall auction is their *show window*, just pride is apparent in the quality of their consignments and it's the "Pick of the Tops" that each breeder brings from his herd to this time-honored event.

It's only natural that each year we get pretty well steamed up over these Annual Pike County Auctions. After making my inspection trip this year I do not hesitate to go on record in saying that this is the finest group of young Shorthorn bulls and females ever offered at Bowling Green. They are the kind of Shorthorns these Pike County Breeders are proud to produce and the kind you will be proud to own.

GENERAL INFORMATION

TIME—The show will be held at 9:30 a. m. and the sale at 1:00 p. m.

LOCATION—The sale will be held in the sales pavilion on U. S. Highway 61, just north of junction of U. S. Highways 54 and 61. Bowling Green is also located on Chicago & Alton Railroad between Chicago and Kansas City, Mo. Burlington trains will be met at nearby Louisiana if you will notify the Association Secretary, M. N. Cowser, Bowling Green, Mo., of time of arrival. He will also make hotel reservations for distant guests at either the Huckstep Hotel or Myers Tourist Camp at Bowling Green or the Wahl Hotel at Louisiana.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. All cattle have been blood tested for Bang's disease within 30 days of this sale. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at the buyer's costs of transportation.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

All animals in this sale have been tested for tuberculosis and Bang's disease and health charts will be provided.

We shall not be responsible for any accidents that may occur but we shall make every effort to provide for the safety and comfort of our guests.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability legal or otherwise.

Missouri State Department of Agriculture Awards

JUDGING CLASSIFICATIONS

The State of Missouri, Department of Agriculture, will award to all animals in each class that can qualify as Blue Ribbon, Red Ribbon and White Ribbon animals, a cash premium of \$4.00 for Blue, \$2.00 for Red and \$1.00 for White. These awards will be made on the Danish system of judging.

The purpose of the program is to encourage the showing and selling of superior breeding animals, making it possible for these good animals to be purchased by Missouri farmers and disseminated on Missouri farms, thus improving the livestock industry of Missouri.

Rollo E. Singleton of the Livestock Division will distribute the awards, starting at 9:30 a. m. on Sale Day.

Judge, Alfred Miller, Sharpsburg, Illinois.

BO WOOD ROYAL LEADER—is a masculine headed, heavy boned short legged bull and as red as they come. His sire "Edellyn Royal Leader 35th" is a full brother to the \$7000.00 Chicago Congress champion of 1945, now doing a great job in the Hal Williams herd. Being a grandson of "Command's Masterpiece" and the "All American Favorite" there can be no guessing as to his ability as a sire.

PIKE COUNTY SHORTHORNS

IMP. LAWTON FAVORITE — This son of the famous Collynie State Express, has outstanding sons and daughters in many of America's herds. Still in service in the Strother herd this bull is living to see his own history being made. You'll find plenty of proof in this offering, that his sons and daughters are perpetuating his type and quality.

PIKE COUNTY SHORTHORNS

Here are five calves sired by Edellyn Royal Leader 35th owned by Bo Wood Farms, Clarksville, Missouri.

BO WOOD FARM

One of the newest herds in the Pike County area and located two miles Southwest of Clarksville is that of Bo Wood Farm owned by Chas. E. Bascom, St. Louis, Missouri, manufacturer. The herd is handled on the farm by Clarence and Eugene Brown under whose direction, care and development the get of the present herd sire, Command's Masterpiece, has placed it in a degree of prominence not often acquired in such a short while. Their winnings at both the International Congress shows and sales and Missouri state shows and sales have been so consistent that Command's Masterpiece must be regarded as one of the strongest sires in the Middle West.

Among the "features" of this sale will be the first sons and daughters of Edellyn Royal Leader 35th that Bo Wood farm are selling. Study their pictures and pedigrees in this catalog and then be sure and look them over on sale day.

You can't help but like these five young heifers owned by Fairmead Farms. They are daughters of Fairmead Favorite.

FAIRMEAD FARMS

— Prescott, Bradbury and Walker —

BOWLING GREEN (Pike County) MISSOURI

The Fairmead Farm herd was started by Mr. Chas. Prescott in 1913 and the Bradbury herd in 1918. Being on adjoining farms the same bulls were used, more or less, on both herds, and they were always the best available. After the death of Mr. Prescott the herds and farms were combined in a partnership known as Fairmead Farms. The herd has been closely culled, any cows not measuring up to our standard being marketed, and some of the best heifers being retained in the herd.

The owners of Fairmead Farms feel sure that their present herd bull, Fairmead Favorite, is the best they have ever used, and when you see his sons and daughters that are being offered in this sale you are pretty apt to agree.

CHAS. HARNESS & SON CONSIGNMENT

The Chas. Harness & Son herd at Corso, Missouri, was established 32 years ago and there is little doubt but that its present high state of efficiency and quality is a result of the following carefully selected and outstanding herd sires used. It is indeed an impressive lot starting back with the great Marshal Foch by Cumberland Marshal 4th, Collynie Royal Lancer by Collynie Clipper Crest, Browndale Waverly by Golden Browndale, Baron Prentice by Prentice, Divide Quickstep by Divide Achievement, and ending up with the present herd sire, Helfred Nimrod, by Fascinator. This solid red bull was the top bull in the 1941 International sale and his get have been particularly low set, compact and blocky. He sired the top heifer in the 1945 Otis Carter Sale and the top open heifer of the 1945 Missouri State Sale and two reserve champion bulls at Missouri State Shows and Sales. Both the Champion and Reserve Champion females of the 1946 and 1947 County Sales were his daughters.

Sni-A-Bar Campeon Mercury, a solid red son of Edellyn Campeon Mercury, is also now in service in the Harness herd.

COMMAND'S MASTERPIECE 2049333

Bo Wood Farms have had marked success with his sons and daughters. They have been among the tops at Chicago, Sedalia and Bowling Green.

WALRIDGE FARM DRAFT

The Walridge Farm herd was established in 1930 with purchases made in the Strowold Farm sale of that same year. Our present cow herd is composed of choice Scotch breeding of the Augusta Graceful, Secret, Rosewood, Orange Blossom and Gypsy Maid families and our present herd sire is Lustrous Robin, an excellent breeding son of Imp. Garguston Cock Robin. We sell lots 4, 8, 19, 38, 39, 50.

We are really proud of our this year's offering. Our herd is not large but we will take pleasure in showing it to you — the gate is always open — so drive in at your next opportunity.

A. J. Hueffner & Son,
Cyrene, Missouri

MARMAC SHORTHORN FARMS

Our first Shorthorn purchase was a club steer purchased from Charles Harness in 1926. He was Grand Champion over all breeds at the East St. Louis calf club show and sale that fall. From the profits of this steer, Royal Countess 5th, a R. C. Boeger bred cow, was purchased from Charles Prescott in the Pike County sale in 1927. This cow proved to be one of the greatest producers the herd has ever had. Profits from this great cow and her offsprings and by the use of such bulls as Maxwalton Mariner, Rodney Count, Browndale Superior, Browndale Sensation, Divide Last Goldspur, Raveni Lodestar and Garguston Cock Robin are responsible for the quality of the herd today.

Our this year's consignment features eleven grandsons and granddaughters of Garguston Cock Robin and elsewhere in this catalog you will note the picture and breeding of our present herd sire, Beaufort Destiny.

Marion Mackey

HILLVIEW FARM

The Elliott Farm, five miles west of Clarksville, was purchased by Dr. John P. Murphy in November, 1928. This farm had been owned by the Elliott family for over 125 years and had been used extensively as a livestock farm. Early in 1929 Dr. Murphy purchased four cows from Fairmead Farm and a like number from L. A. Strother & Son. These cows were of the Gypsy Maid, Violet Mist, Secret, Clara and Countess families. These cows were bred to bulls of L. A. Strother & Son, Sni-A-Bar and Leveldale breeding. In recent years Leveldale Prophet, Sni-A-Bar Baronet and Millhills Gift have been used. Today the Hillview herd numbers ninety head of predominantly red Shorthorns headed by Marmac Modern Robin.

Ray Homeyer is on the farm and he will have Lots 13 and 42 on display at Bowling Green on the 29th.

STROWOLD FARM

Bowling Green, Mo.

Strowold Farm was settled in 1854 by Reuben A. Strother, who came to Missouri from Fairfax County, Virginia. Ownership of the farm has been continued for four generations.

Registered Shorthorns were introduced in 1908, and a purebred herd has been maintained continuously since that date. A Cumberland bull was first used in the herd. Other well known sires include Villager's Hero; Dreadnought Charter, by Dreadnought Parade; Browndale Sensation, by Divide Sensation; Edellyn Diamond Chain, by Leaders Diamond Mine; Leveldale Regalia, by Sheik of Leveldale; and since 1942, Imported Lawton Favorite. Although calved in 1938, he is still very active and sure. Twenty of his most desirable daughters have been retained in the herd, and are being mated to the Junior herd Sire, Strowold Favorite Toff. The "double Favorites" already on the farm are proof that the cross is effective.

Sons of Lawton Favorite have topped the last three Pike County Sales, and we feel that our "40TH ANNIVERSARY CONSIGNMENT" of 4 bulls and 7 females is equally as good.
